2. Every such license shall authorize the sale by the person named, and upon the premises named, in the license certificate to sell, subject to the provisions of this by-law, all spirituous and malt liquors, and all combinations of liquors and drinks and drinkable liquids which are intoxicating, and each license so issued shall be signed by the Chairman, or Acting Chairman, of the Board, and shall be countersigned by the License Inspector.

5. A wholesale license shall authorize the licensee to sell and dispose of liquors from out of his warehouse, store, shop, or place defined in the license, in quantities of not less than two gallons in each cask or vessel, and whenever such selling by wholesale is in respect of bottled ale, porter, beer, wine, or other fermented or spirituous liquor, each such sale shall be in quantities of not less than one dozen reputed quart bottles; provided that none of the liquor so sold shall be consumed in or upon the house or premises in respect of which the license is granted.

6. A restaurant license shall authorize the person named in the license certificate to sell or dispose of ale, beer, porter and light wines to guests at table with their meals, upon the premises used and occupied as a restaurant, and fully described as premises in respect of which such license is granted.

A temporary license shall authorize the person named in the license certificate to sell or dispose of

intoxicating liquors at any games, fairs, or entertainments mentioned therein, or premises mentioned therein, and for the period mentioned therein, and such temporary license may be granted at any time by three members of the Licensing Board to a fit and proper person then holding a license under this by-law, and on payment of the fee prescribed by any by-law of the City of Vancouver for the time being in force.

A special meeting of the Board may be called at any time by the Chairman, on giving three days' notice, at which meeting only such business shall be transacted as stated in the notice calling the meeting.

8. Every application for a license, or renewal of license, to sell intoxicating liquors, or for the transfer of any license, shall be in writing, signed by the applicant, and be filed with the License Inspector not less than fourteen clear days before the meeting of the Licensing Board, and shall, except in cases of renewal of license, be accompanied by a fee of \$10, and a notice of each such application shall be inserted in some daily newspaper published in this city for one week prior to its coming before the Board, giving in such notice full particulars as to the name of such applicant, location and character of the premises sought to be licensed, and the class of license required. Any person or persons may, either personally or by petition, oppose the granting of any license or transfer of license, but five days' notice in writing must be given the Licensing Board of such intention to oppose, otherwise the opposing petition will not be entertained; and that all such applications be open to public inspection at the City Hall from time of filing the same until one day previous to the meeting of the Board.

9. Temporary transfers, pending the regular sittings of the Board, may be granted by the Chairman and two members of the Board, provided the applicant has complied with the provisions of the preceding section in filing his application, advertising his notice, and payment of the fee; such temporary transfer shall expire at the first sittings of the Board after the date of its being granted.

10. The Inspector shall, upon receipt of said application, inspect the premises of the applicant and report in writing to the Board, and such report shall contain—

(a.) A description in brief of the house, premises, and furniture:

(b.) If the application is made by a person who previously held a license in this city, a statement as to the manner in which the house occupied so by him had been conducted:

(c.) A statement whether the applicant is a fit and proper person to have a license, and whether he is of good name, fame, and repute:

(d.) A statement whether the applicant is or is not the true owner of the business of the hotel, saloon, shop or restaurant sought to be licensed, or what interest he has in the premises:

(e.) A record of any convictions against the applicant.

11. The report of the Inspector shall be only for the information of the Board, which shall, nevertheless, exercise its own discretion on each application.

12. No license shall be granted to any house within one hundred yards of a hospital, school, or church, nor to or for the benefit of any person who is a member of the Licensing Board, or a License Inspector, or a Police Officer, and any license so issued shall be void.

13. No shop or retail license or renewal shall be granted for any premises where any kind of goods, wares, and merchandise are sold, excepting tobacco, in any form, or articles to be used in connection with the consumption of tobacco.

14. No person having a shop license to sell by retail shall allow any liquors sold by him or in his possession, and for the sale of which a license is required, to be consumed within his shop, or within the building of which his shop forms a part, or which communicates by any entrance with such shop, either by the purchaser thereof or by any other person not usually resident within such building; and the shop in which he sells liquor shall be open to the street, so that any

passer-by can readily see the whole of the premises therein, either through the window or door.

15. No wholesale license shall be granted to any person who carries on a retail business of any kind on the premises for which a license is sought.

16. The Licensing Board may by resolution endorse on any license permission to the holder thereof, or his assigns or legal representatives, to remove from the house to which his license applies to another house to be described in the endorsement, and possessing all the accommodations required by law. Such permission shall authorize the holder of the license to sell the same liquors in the house mentioned in the endorsement during the unexpired portion of the term for which the license was granted, in the same manner and upon the same terms and conditions; but no such permission shall be granted unless and until the person applying therefor has filed with the Licensing Board a report of the Licensing Inspector containing the information required by law in case of an application for a license.

17. The number of licenses issued and to be issued in the city shall be limited in manner following:—

(a.) The number of hotel licenses issued or to be issued in the City of Vancouver shall not exceed fifty-three (53) until the population of the City of Vancouver shall have been ascertained to be fifteen thousand (15,000) or more, and then only one additional hotel license shall be granted by said Licensing Board for each full one thousand (1,000) of population in excess of fifteen thousand (15,000), the basis of said enumeration to be the yearly census taken by the Assessor of the City of Vancouver, who shall report to the Board not later than the 10th day of June in each year:

(b.) The number of saloon licenses issued or to be issued in the City of Vancouver shall not exceed twelve (12), and if at any time this number should become reduced through revocation or other cause, no other or more saloon licenses shall be granted by the Licensing Board of the City of Vancouver in lieu of such revoked license:

(c.) The number of shop or retail licenses issued or to be issued in the City of Vancouver shall not exceed five (5), and no other or more shop or retail liquor license shall be granted in said city until the population of said city is ascertained (in manner prescribed above) to be 15,000, and then only one additional shop or retail license shall be granted for each full 3,000 of population in excess of 15,000:

(d.) There shall be granted to four restaurants, or places where meals are served to parties at any hour of the day or night, and whose furniture, equipage, and apparatus for carrying on each of said restaurants shall be of the value of \$2,000, a license to supply light wines, porter, and beer by the bottle to customers at meals only in said restaurants; and the fee for such license shall be one hundred dollars annually, and be paid as other liquor licenses are; and said restaurants shall be governed in every respect as to renewal, cancellation, penalties, and otherwise as are hotels, saloons, and other places where liquors are sold.

18. Every license issued shall be in force from the date of its issue until and inclusive of the thirtieth day of the month of June following, unless in the meantime revoked, cancelled, or suspended by the Licensing Board, who shall have power to revoke, suspend, or cancel the same.

19. No licenses shall be issued until the applicant has first paid the license fees prescribed as payable by any by-laws of the City of Vancouver for licenses for the sale of spirituous, fermented, and intoxicating liquors.

20. No person shall sell or offer for sale intoxicating liquors of any kind without having first obtained a license authorizing him to do so under this by-law; but this section shall not apply to sales under legal process, or for distress or sales by assignees of insolvent debtors.

21. No person having a license to sell by wholesale shall allow any liquor sold by him, or in his possession for sale, and for the sale or disposal of which such license is required, to be consumed within his warehouse or shop, or within any building which forms part of, or is appurtenant to, or which communicates by, any entrance with any warehouse, shop, or other premises wherein any article to be sold or disposed of under such license is sold by retail, or wherein there are kept any broken packages of such articles.

22. No person, unless he is duly licensed aforesaid, shall by any sign or notice give the public to believe that he is so licensed.

23. No person shall keep or have in any house, building, shop, eating house, or house of public entertainment, or in any room or place whatsoever, for the purpose of selling, bartering, or trading therein any intoxicating liquor, unless he be duly licensed for that purpose under the provisions of this by-law.

24. The preceding section shall not apply to prevent any practising chemist or druggist, duly authorized under any Act in force in the Province to dispense medicines, from keeping, having, or selling liquors for strictly medicinal purposes; but no such sale shall be made in packages of more than six ounces at a time, except under a certificate from a registered medical practitioner. A record of every sale or other disposal of liquors so made, with the name of the person to whom sold or disposed of, and the name of the medical man who granted the certificate for same (if any), shall be kept in a book which may be inspected at all reasonable hours by the License Inspector; but no liquor so sold or disposed of shall be consumed on the premises in which same are sold.

25. All licenses and certificates of transfer of licenses shall be constantly and conspicuously exposed in the licensed warehouses and shops, and in the bar-rooms of hotels and saloons, and restaurants.

26. Every hotel or saloon-keeper shall keep a lamp affixed over the door of his licensed premises, or within twenty feet thereof, lighted during the whole of the night from dark to daylight during the time of holding such license.

27. The Chairman of the Licensing Board may, by endorsement on the license, exempt any hotel or saloon-keeper from compliance with this provision in cases where he thinks the street or particular place where the licensed premises are situate is otherwise sufficiently lighted.

28. Not more than one bar shall be kept in any hotel or saloon licensed under this by-law.

29. Every hotel, saloon, or shop-keeper who receives in payment or as a pledge for any liquors supplied in or from his licensed premises anything but current money, or the debtor's own cheque on a bank or banker, shall for each such offence incur a penalty not exceeding twenty dollars, besides costs.

30. Any officer, policeman, constable, or inspector may, for the purpose of preventing or detecting the violation of any of the provisions of this by-law which it is his duty to enforce, at any time enter into any and every part of any hotel, saloon, or other house of public entertainment, shop, warehouse, or other place wherein refreshments or liquors are sold, or reputed to be sold, whether under license or not, and may search every part thereof, and of the premises connected therewith, as he thinks necessary for the purpose aforesaid, and every person who is therein and who refuses or fails to admit such officer, policeman, constable, or inspector demanding to enter in pursuance of this section in the execution of his duty, or who obstructs, or attempts to obstruct, the entry of such officer, policeman, constable, or inspector, or any such search as aforesaid, shall be subject to the penalties of this by-law.

31. No license shall be granted to any applicant under this by-law who is not of the full age of twenty-one years.

32. Every person licensed under this by-law who permits drunkenness, or any violent, quarrelsome, riotous, or disorderly conduct to take place on his premises, or who sells or delivers intoxicating liquors to any drunken person, or permits any drunken person to consume any intoxicating liquor on his premises, or permits persons of notoriously bad character to assemble or meet on his premises, or permits any gambling or any unlawful game to be played or carried on on his premises, or who allows musical instruments to be played or exhibitions or performances to be made in any bar-room or room where liquors are sold, shall incur a penalty not exceeding fifty dollars, with costs of prosecution.

33. Every person who makes, or uses, or allows to be made or used, any internal communication between licensed premises and any unlicensed premises which are used for public entertainment or resort, or as a refreshment room or house, shall incur a penalty not exceeding fifty dollars for every day during which such communication remains open.

34. Every hotel-keeper who fails or refuses, either personally or through anyone acting on his behalf, except for some valid reason, to supply lodging or accommodation to any person demanding the same, and every hotel-keeper who refuses to supply meals to

any person demanding the same, shall be guilty of an offence under this by-law.

35. Every hotel authorized to be licensed under this by-law shall contain, and during the continuance of the license shall continue to contain, in addition to what is needed for the use of the family of the hotel-keeper, not less than sixteen (16) bed-rooms, "each of which shall contain at all times at least 384 cubic feet of space for each person occupying the same, and each such room shall have a window to open at least two feet square," together with, in every case, a suitable complement of bedding and furniture; and every hotel, in addition thereto, shall be and shall have during the continuance of the license to the satisfaction of the Board a well appointed and sufficient dining-room in the same premises capable of seating the number of guests that can be ordinarily accommodated at the hotel, with the appliances requisite for daily serving meals. Provided that if in the opinion of the Board the applicant for the renewal of a license held by him at the date of passing this by-law, has not sufficient number of rooms to qualify under this by-law, the Board may grant a renewal of his license for a period of time not to exceed six months within which the qualifications shall be complied with; and if the necessary qualifications are not complied with by the end of the period for which such renewal is granted, then the license shall be *ipso facto* cancelled and revoked, and the licensee shall have no renewal of a license to sell liquors on the premises.

36. Any person who has lawfully obtained a license under the provisions of this by-law may, on application to the Licensing Board, and on payment of a fee of ten dollars therefor, transfer said license to any other person, or to any other premises, to be approved by said Board.

37. When in consequence of the death of the person holding a license, or in case he being a tenant of the licensed premises is ejected, or his lease expires by effluxion of time, or he absconds, or by operation of law is deprived of the licensed premises, the legal representatives of such person, or the landlord or other person interested in the premises, or the assignee-at-law, may, on application to the Licensing Board, notwithstanding the non-production of the license, obtain a transfer of such license on such terms as to the said Board may seem just, and for such transfer a fee of twenty dollars shall be paid to said Board.

38. From and after the date of the passing hereof the keeper of premises licensed under the provisions of this by-law, to whom such license is issued, shall designate the licensed premises under some distinctive name or sign, to be approved of by the Licensing Board of the City, and shall not alter or vary the same without the consent of the said Licensing Board. A register shall be kept by the Inspector, in which all such names or signs, and a description of the premises to which they apply, shall be kept. Every keeper of licensed premises shall cause the name or sign by which his premises are known to be entered in the said register, and a fee of one dollar shall be paid by such keeper to the City for every entry so made.

39. Any person may be prosecutor or complainant under this by-law. All convictions obtained under this by-law against persons holding licenses shall be endorsed by the convicting Magistrate on the back of said licenses, and any license or renewal of license issued under this by-law shall become absolutely forfeited whenever three convictions under this by-law shall have been obtained and endorsed on the back of any license certificate issued in accordance with the terms of this by-law. All informations or complaints for the prosecution of any offence against any of the provisions of this by-law shall be laid or made in writing within thirty days after the commission of the offence.

40. For any and every violation of any part or portion of this by-law for which no penalty or penalties are hereinbefore imposed, a penalty not exceeding one hundred dollars, besides costs, may be imposed by the Mayor, Police Magistrate, or Justice or Justices of the Peace convicting; such penalty, with costs, to be levied by distress and sale of the goods and chattels of the offender or offenders; and in default of any or sufficient distress being found, imprisonment for any period not to exceed two months may be imposed in lieu of said penalty and costs, unless the same be sooner paid.

F. COPE,
Chairman of Licensing Board.

M. G. McLEOD,
Clerk of Board.
